The Mentoring Committee is excited to host its Fourth Annual Speed Mentoring Event.

Effective mentoring is crucial to the success of women attorneys. Indeed, the 2008 WBA Law Firm Diversity Initiative concluded that effective mentoring relationships, while critical to any lawyer's advancement, are the one thing many women lawyers are not receiving.

The Speed Mentoring Reception aims to facilitate the development of strong mentoring relationships in an informal setting designed to encourage lasting connections. Like speed dating, speed mentoring will allow attendees to receive at least 15 minutes of one-on-one "mentorship" with a variety of seasoned attorneys in several speed mentoring rounds. The mentors include senior attorneys from the private sector, academia and the government, including a judge for the Superior Court of the District of Columbia. These mentoring rounds can serve as the foundation for creating significant mentoring relationships that will fuel the future success of women attorneys.

A networking reception will follow the program. Join us for this special event! Food and beverages are generously sponsored by Baker Hostetler LLP.
