

THANK YOU, PRO BONO ATTORNEYS

Legal Aid of North Carolina, Legal Services of Southern Piedmont, and Pisgah Legal Services would like to thank the following attorneys who have provided pro bono legal representation in the past year. These 928 lawyers in private practice across the state have helped legal aid providers provide critical assistance to low-income North Carolinians struggling with civil legal problems ranging from domestic violence to foreclosure. With their generous volunteerism, North Carolina’s legal aid providers have served over 100,000 low-income people throughout the state in the past year. Join us in celebrating National Pro Bono Week and thanking these volunteers for their pro bono service.

CALL 4ALL VOLUNTEERS

Our Call 4ALL volunteers have helped provide access to justice for thousands of North Carolinians who otherwise would be forced to face their problems alone. Join us in celebrating National Pro Bono Week and thanking these Call 4ALL volunteers. Learn more about Call 4ALL at www.call4all.org.
