

PRO BONO CELEBRATION 2019

Every day, lives are changed when the poorest and most vulnerable members of Hawaii's communities gain access to the legal system. It is only through the generosity of attorneys who donate their time to assist these individuals, that access to justice is achieved.

As part of the National Celebration and to support the continued growth of access to justice in Hawaii, we invite you to join the 2019 Pro Bono Celebration to promote pro bono service and to recognize seven students whose essays highlight the value of volunteer service and the outstanding attorneys and law firms who have given selflessly of their time to make a difference in Hawaii.
