How to Become a Rock Star Pro Bono Volunteer

WEDNESDAY, OCTOBER 28, 2020
12 PM - 1 PM

Join our interactive panel of VLJ staff and volunteers to learn about VLJ's pro bono opportunities, resources available to volunteers, and how to get started. Worried that you don't have your own malpractice insurance? Come ask us about it. Want to help tenants facing eviction, but don't know anything about landlord-tenant law? Ask about our training and support to new volunteers. All questions are fair game! Hear from volunteers about how they went from new volunteer to rock star status.

By attending this volunteer information session, you'll also learn about the volunteer opportunities with VLJ, including:

- Program areas
- Scope and duration of assistance
- Resources available to volunteers
- *Madden* exemption
- Volunteer recognition
- Taking on your first case
