

Friday BLITZ

Pro bono work can be fun, perplexing and effective!

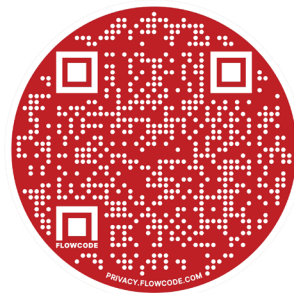

Spend an afternoon with lawyers
responding to questions posted on the [SC. FreeLawAnswers.org](http://SC.FreeLawAnswers.org) website.

SC.FreeLawAnswers.org is the SC Bar Pro Bono Program's project that allows low-income members of the public to post legal questions online. Attorneys anonymously respond to the questions providing links to resources and possible solutions. Students help draft responses.
