SANDY INSURANCE ROUNDTABLE #4 HOSTED BY THE CITY BAR JUSTICE CENTER

When: July 26, 2013

8:30 a.m. to 10:30 a.m.

Continental Breakfast will be served

Where: 42 W. 44th Street
New York, NY 10036

The City Bar Justice Center is hosting another Sandy Roundtable discussion for the public interest and pro bono attorneys handling these cases. Chris Foley, an attorney with experience representing New York homeowners on insurance claims, will be joining the Justice Center for this roundtable and will make a presentation on broker liability. Furthermore, we will have a representative from the Department of Consumer Affairs present on home improvement contractor disputes.

The purpose of this roundtable is to help increase the knowledge in the public interest community on how to handle insurance cases as well as related matters such as home improvement contractor disputes. Space is limited and we ask that only attorneys actually working with clients with insurance claims or organizations supporting them attend. There is no CLE and no cost for the Sandy Roundtable but you must preregister.
